Re: Freedom of Information Act (FOIA) Request Number  
10-RIN-1700-91.

Dear Mr. Michel:

This is in response to your December 3, 1991, request for information regarding the Pasco Sanitary Landfill in Pasco, Washington. You requested the opportunity to review the EPA files and to obtain copies of any documents of interest. You were informed by Bob Kievit around December 9, that the file was available for your review and were asked to state a time and date to come in for the review. You stated that you were not able to schedule a review at that time. Despite a number of phone calls from Bob Kievit over the past two months, you still have not made an appointment for the review.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-1700-91. You are welcome to submit another FOIA request in the future, if and when you are ready to conduct a review of the Pasco Landfill file.

Sincerely,
